

Voted Best of the Best – again!

For the 17th consecutive year, Vernon Green has won the Best Of The Best Award as the facility of the year in the nursing care category. And Vernon Hall has made it 10 in a row in the assisted living category.

The award is given by Market Surveys of America, a firm that conducts public opinion polls throughout New England and that has been a BBB Accredited Business since 1998.

AND
COUNTING

These awards say a lot about the consistent quality of care that residents and their families can expect at VACH. Further proof: Federal and state regulators found Vernon Green deficiency-free during its 2014 inspection – an exceptional achievement, reflecting the highest standards of care.

We thank every VACH team member who makes exceptional, award-winning resident care possible!
